Project Title:

Each exhibitor must submit a copy of this form. Your project will not be judged without it.

ITEM 1 - PARENT / GUARDIAN CONSENT AUTHORIZATION

As parent/guardian, I give permission for my son/daughter to attend the Bay Area Science and Engineering Fair (BASEF), and will not hold BASEF responsible for any accident or mishap related to his/her participation. I have read the expectations for parents/guardians at <http://www.basef.ca/parents>.

I understand that my child is expected to attend all the scheduled events, that I am responsible for his/her transportation to and from BASEF, and that my child and I take joint responsibility for pickup arrangements. Should my child depart from the fair in an unauthorized manner, or conduct him/herself in a manner that does not conform to the expectations laid out in the detailed Schedule at <http://www.basef.ca/calendar>, I will not hold BASEF responsible for any unforeseen complications.

I also understand that the material used in the project is the responsibility of the student and that the school, the teacher, and BASEF cannot be held responsible for loss, damage, or theft, however caused.

I further understand that all exhibits must comply with the display safety rules and be left on display until the end of the fair.

High school level projects may qualify for International Fair trip awards; in light of international travel regulations, all citizens traveling to the United States must present a passport at border crossings. I understand that my son/daughter must have a valid passport to be eligible to win a BASEF international trip award.
