

WHAT'S YOUR SCIENCE PROJECT?

For almost 60 years, the Bay Area Science and Engineering Fair (BASEF) has inspired young people to do great things in science, technology, engineering, and math. It is an opportunity for students to showcase their ideas, and to discover their own potential.

Come and be amazed by what 540 students can imagine.

FREE!

All Welcome to Attend

Bay Area Science & Engineering Fair

sponsored by ArcelorMittal Dofasco

Saturday, April 1, 9:00 am to noon
Mohawk College, Fennell Campus

You'll be amazed at some of the creativity and innovation on display in this year's projects. While you're here, attend the Mohawk College Open House (10 am to 1pm).

FREE ADMISSION
FREE PARKING

This year there is more than \$200,000 in cash prizes, scholarships, and all-expense paid trips to national and international science fairs to be won.

BASEF is open to grade 7 through 12 students from Hamilton, Halton Region, Brant, Norfolk and Haldimand Counties, and Six Nations.
