Opportunities for Students to Succeed

Made Possible By:

- 70 general funding sponsors and donors
- 44 special awards donors
- 239 judges
- 30 volunteers

Bay Area Science and Engineering Fair March 24 to 29, 2022

The effects of the pandemic once again impacted the 2022 fair. For the third year in a row, BASEF was a virtual event with students submitting digital projects which were then judged remotely. Our hope for 2023 is to return to an in-person fair.

204 Students showcased 161 projects

9 gold, 35 silver, 64 bronze merit awards

142 special awards

85 scholarships

17 projects (23 students) advanced to senior fairs

Awards worth over \$150,000

Projects advanced to senior fairs

Canada Wide Science Fair

BASEF selects top projects from any grade to represent our region at national level. This year 17 competitors brought home 19 awards.

Regeneron International Science and Engineering Fair

BASEF selects the top five high school projects to represent our region at the international level. Together they brought home 5 awards.

Join us for our 63rd fair!

March 23rd to March 28th, 2023
