

Big ideas. Infinite possibilities.

Science can take you anywhere! Start your journey by participating in the Bay Area Science and Engineering Fair (BASEF). Show off your ingenuity in Science, Engineering, and Technology and compete for hundreds of thousands of dollars in awards. Over \$162,000 in cash, scholarships, trips to the national or international science fairs and participation awards were shared by 400 students at BASEF 2007.

For more information or to register visit basef.ca
