

# Patent Workbook

**Bay Area Science and Engineering Fair**

My name:

---

My email:

---

My phone #:

---

Date Created:

---

# Inventors

The people who developed this invention are:

---

---

---

# References

- Patent Overview for Science Fair Participants
- My project log book
  - Project Name:
  - Date:
- Canadian Intellectual Property Office

---

# My Vision

**The problem to be addressed is:**

---

---

---

---

---

**The invention is:**

---

---

---

---

---

**My invention is practical because:**

---

---

---

---

---

**Design summary.**

---

---

---

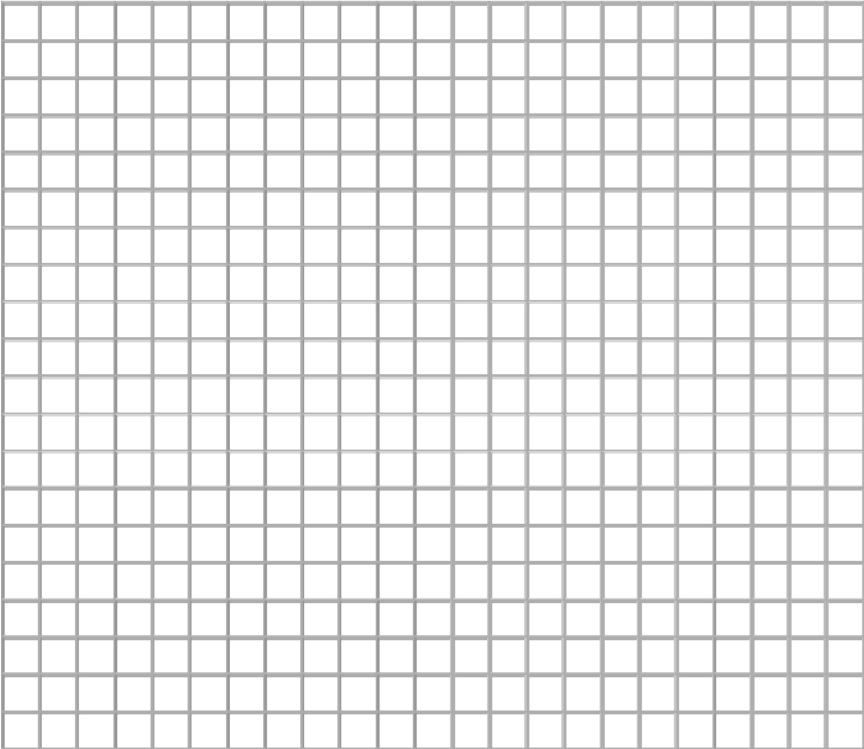

---

---

---

---

---

# My Invention

**My invention is new or an improvement on previous work.**

---

---

---

---

---

**I plan to protect my new invention by:**

Trade-marks: \_\_\_\_\_

Copyright: \_\_\_\_\_

Trade Secrets: \_\_\_\_\_

Design Patent: \_\_\_\_\_

Patent: \_\_\_\_\_

---

---

---

---

---

---

---

---

---

---

**A patent search<sup>1</sup> discovered the following related work:**

---

---

---

---

---

---

---

---

---

---

**Inventions similar to my invention are:**

---

---

---

---

---

---

---

---

---

---

---

<sup>1</sup> Start with the Canadian Intellectual Property Office: <http://www.ic.gc.ca/opic-cipo/cpd/eng/search/basic.html>

# My Improvements

The invention is an improvement on an existing product or service ... No  Yes  (describe products or services below)

---

---

---

---

If your invention is not an improvement on an existing product or service, how would you improve your invention?

---

---

---

---

---

---

---

---

Do you have a prototype?

---

---

---

---

**A prototype of the invention will be made using inexpensive resources or materials.**

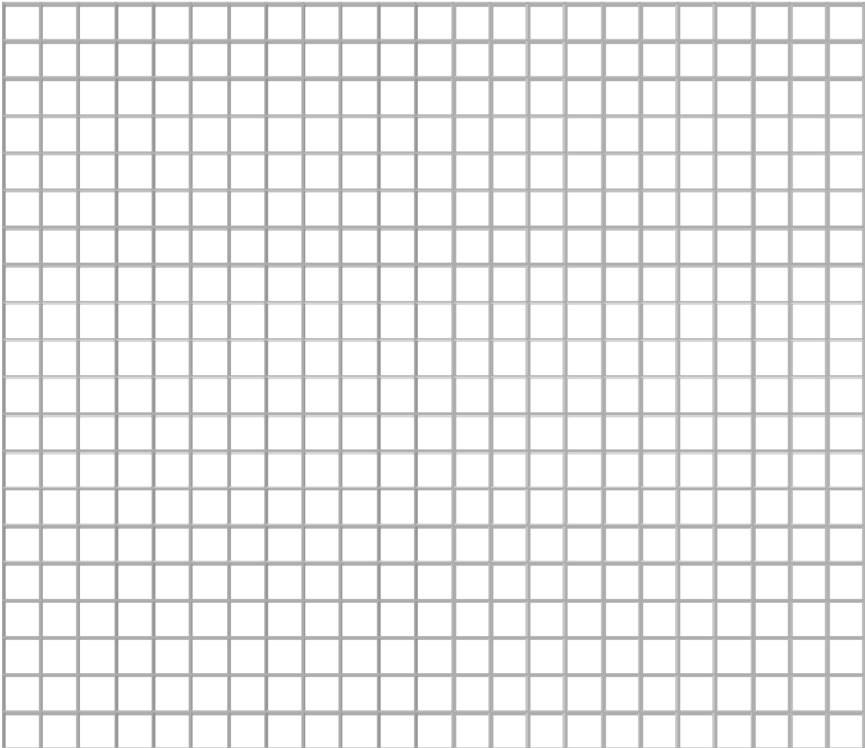

---

---

---

---

---

# My Inspiration

**My invention will change the world by ...**

---

---

---

---

---

**My marketing plan is ...**

---

---

---

---

---

**My advertising plan is ...**

---

---

---

---

---

**My catchy marketing jingle ...**

---

---

---

---

---

**Cost Analysis:**

Material Costs: \_\_\_\_\_

Manufacturing Costs: \_\_\_\_\_

Distribution Costs: \_\_\_\_\_

Other Costs: \_\_\_\_\_

---

---
